

There are some young men and women who have no method in doing their work. Though they are always busy, they can present but little results. *The Youth's Instructor, Aug. 31, 1893*

There must be men who will begin a work in the right way, and hold to it and push it forward firmly. Everything must be done according to a well-matured plan, and with system. God has entrusted His sacred work to men, and He asks that they shall do it carefully. *Manuscript 24, 1887.*

SYPE

Seventh day Adventists' young professionals in Evangelism

is a ministry that encompasses alumni and students who are part of Seventh day Adventists' Associations that operate in public Universities in Kigali, grouped in the evangelical district of ASSA Kigali, and welcomes partnership with others who want to participate in evangelism.

Purpose

To connect and equip young Seventh day Adventists professionals to regularly and actively have part in Evangelism, through their different professions and talents supporting the Adventist Church's mission of sharing the Three Angels' Messages of God's love and grace to the world in preparation for His soon return.

Mission

SYPE is a Seventh day Adventist ministry that enables young professionals in the church to engage in missionary work through evangelical projects that involve their professions and talents.

WHY ?

Evangelism is much more needed now than ever

-AS we see signs of the end, we value more these words" And this gospel shall be preached in all the world for a witness unto all nations; and then shall the end come. Mt 24:14." It is our duty to take the gospel to the world

As youth, we are the potential part of the church

-”Let no man despise your youth, but be thou an example of the believers”

Tmt 2:15

-”Young men and young women, can you not form companies, and as soldiers of Christ enlist in the work, putting all your tact and skill and talents into the Master’s services, that you may save souls from ruin? Let there be companies organized in every church to do this work. Young men and women, come to the work in the name of Jesus.” Let them unite together upon some plan and order of action.” “Let there be a company formed, somewhat after the order of the Christian Endeavor Society.” {GCB, April 19, 1901 par. 1}

WHY ?

Everything we have is the Lord's; our professions and talents

-God owns us as it is said" In whose hand is the soul of every living thing, and the breath of all mankind."

Job 12:10

-The sons of God, earnest, true, unselfish, must use all the knowledge they possess in managing this important work.
